PROGRAM CHARACTERISTICS AND PERFORMANCE GOALS

Although the following guidelines may not be applicable to the proposed program, please carefully consider the elements in each area and respond as completely as possible in the format below.

Qualifications of performance goals should be included wherever possible.

If you need more than one line of text to answer questions 1-5, please attach a Word .doc.

1.	Student Preparation				
	 Any special admissions procedures or student qualifications required for this program which exceed regular university admissions, standards, e.g., ACT score, completion of core curriculum, portfolio, personal interview, etc. Please note if no special preparation will be required. 				
	Characteristics of a specific population to be served, if applicable.				
2.	Faculty Characteristics				
	 Any special requirements (degree status, training, etc.) for assignment of teaching for this degree/certificate. 				
	• Estimated percentage of credit hours that will be assigned to full time faculty. Please use the term "full time faculty" (and not FTE) in your descriptions here.				
	Expectations for professional activities, special student contact, teaching/learning innovation.				
3.	Enrollment Projections				
	• Student FTE majoring in program by the end of five years.				
	 Percent of full time and part time enrollment by the end of five years.

7. Need/Demand

Student demand

Market demand

Societal need

I hereby certify that the institution has conducted research on the feasibility of the proposal and it is likely the program will be successful.

On July 1, 2011, the Coordinating Board for Higher Education began provisionally approving all new programs with a subsequent review and consideration for full approval after five years.

Other Collaborative Institutions:
Length of Agreement:
If you need more than two lines of text to answer questions 1–5, please attach a word .doc.
1. Which institution (s) will have degree-granting authority?
2. Which institution (s) will have the authority for faculty hiring, course assignment, evaluation and reappointment decisions?
3. What agreements exist to ensure that faculty from all participating institutions will be involved in decisions about the curriculum, admissions standards, exit requirements?
4. Which institution(s) will be responsible for academic and student-support services, e.g., registration, advising, library, academic assistance, financial aid, etc.?
5. What agreements exist to ensure that the academic calendars of the participating institutions have been aligned as needed?
